About Nuong Farm

Rooted in the Bay Nui region of An Giang, Nuong Farm grew from Hien Nuong Agricultural Farm, inspired by Ms. Chau Thi Nuong's passion for green agriculture and her commitment to enhancing the value of local produce.

Combining clean mushroom cultivation with technology and circular farming practices, Nuong Farm prioritizes quality, safety and environmental responsibility while steadily working toward Net Zero.

Through its work, Nuong Farm seeks to inspire women entrepreneurs, elevate local produce and create sustainable livelihoods for the Bay Nui community.
